

Respecting and caring for each other and ourselves

Winner 2019

A14 Integrated
Delivery Team

Working on behalf of 

The winner...

“The winner has a truly caring culture from the top to the bottom within their team. This team bases its business model around its great people and a customer focused approach. The number of customers whom have been positively affected by this team is a credit to them all. They are our reputation with the communities in which we work. Thank you to them for their leading work!”
